Risk Benefit Assessment for The Tyres

Benefits:	Improve strength. Physical development Fresh air Friendship and relationships Being creative Time to explore Engineering, STEM.
Risks:	Injury from falls & trips. Injury from being hit by tyres. Getting trapped in a tyre.
Risk Management:	Tyres are not to be thrown. Towers to be a maximum of shoulder height. Respectful play – no pushing or snatching. Don't squeeze yourself into a tyre. No being rolled in a tyre. Do not stand on upturned tyres.
Good play	Roll tyres. Build towers. Make stepping stones / balancing course. The floor is lava. Step in and out of tyres. Sit on tyres and bounce. Climb through tyres.
Conclusion:	You can all play with the tyres! The benefits outweigh the risk.
